

1 in order to complete their engagement in Baltimore.

2 I think you will enjoy it and I would suggest

4 to suggest that they come down. I think they, too, would
5 enjoy it. The singing will start at sometime then between
6 5 and 6, not later than 6 at the very latest. That means
7 that you will be away from here by 6:30.

8 At the present time, it would appear that we will
9 be able to work out the schedule indicated to you yesterday
10 of having the Convention meet -- adjourn tomorrow until
11 Wednesday and then have the Convention meet on afternoons
12 and evenings only, Wednesday, Thursday and Friday, hope-
13 fully to be able to conclude by then.

14 This will leave the intervening days unfortu-
15 nately and also the mornings of next week for the work of
16 the Committee on Style, Drafting and Arrangement and I
17 think I can say to you without any possibility of contra-
18 diction that notwithstanding the tremendous amount of work
19 heretofore done by all of the committees of the Convention,
20 the hardest working committee right now is the Committee on
21 Style, Drafting and Arrangement.
